Other opportunities to do or organize:

Host a school uniform drive - help us to prepare the children for school by hosting a school uniform/supplies drive.

Host a “housewarming” shower - collect household necessities (such as pots, pans, silverware, dishes, etc.) - such donations help our clients establish their new homes after staying in our shelters.

Plan a fundraiser - your group or organization can host fundraising events to benefit our mission. Ideas include a bake sale, car wash, garage sale, etc. We'd love to help you with materials and assistance - just call our development director at (814)456-8073.
