

# Donate Your Gently Worn, Used and New Shoes To

EUMA and All God's Children Ministries

## Why Collect Shoes?

- Each bag of 25 pair of shoes = about \$10 to end homelessness and help those with disabilities
- 25 people in developing nations will receive much-needed shoes
- Families in developing nations will be able to support themselves through micro enterprise
- Your unwanted shoes won't go in the landfill!

## We are a Collection Site!

The Shoe Drive runs through June 30.

Donate your shoes here, in the shoe collection box . . . and we'll do the rest.
